Book released about Elephants World.

22-12-2014

We are very excited to have our new ElephantsWorld books arrive and now for sale in our gift shop! They have been photographed and written by two of our volunteers, Jozef and Tamara Mecmejski, who arrived here on Tuesday with their sons Max and Oscar and Tamara's father Richard. This lovely family will also be working for the elephants for the next 3 weeks! All profits from the sale of the books go to our elephants, and we have 1000 copies to sell!

We again thank Jozef & Tamara Mecmejski for their work on the book. It is now on sale for 600THB in the gift shop at ElephantsWorld, and for the first time, an eBook is now available on our website at

Foundation Help the Elephants World

A group of Dutch students at Elephants World. 10-12-2014

The first 10 days in december we have had a passionate group of Dutch students doing an internship at ElephantsWorld. They have learned things about the elephants and their different behaviours and have also been caring for our orphaned dogs. Today is their last night and we are celebrating with a bonfire by the river. Thank you for your enthusiasm.

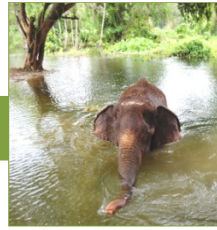

Our Dutch student volunteers have been hard worked to build two new ovens for our vital sticky rice. It takes 24 hours for the initial build to set.
